

TRAVIS MOULTON

Travis.moulton002@gmail.com | 857-499-2648 | 46 Roosevelt Road, Weymouth MA

Objective

To join a software development team where I can gain experience solving real world business problems while gaining the invaluable opportunity to learn from experienced software developers.

Projects

MTG Power Search

HTML | SASS | JAVASCRIPT | PYTHON | FLASK | POSTGRESQL

A search engine for magic the gathering trading cards. The site can be used to search for cards based on one or multiple card attributes. It can also be used to track the user's card inventory, and check market value on cards. More detail can be found in the readme.

Educational Experience

University of Massachusetts Boston | Bachelors in Service and Supply Chain Management | 3.46 GPA

Professional Experience

Whole Foods Market | June 2010 – Current

During my 10-year tenure at Whole Foods Market I have moved up from starting out as a team member in 2010 to serving as an Associate Store Team Leader since 2016. In that time, I opened 2 stores as a Bakery Team Leader, building and training teams from the ground up. In the last 5 years as an Associate Store Team Leader, I have led store teams of over 125 team members to execute amazing retail standards and developing excellent problem solving, organizational, and communication skills.
